# About Us

KAnalysis is a dynamic IP law firm that was established in 2007 as an IP research firm. Over the years of growth and expansion, we presently are a full service IP law firm.

Now, we are full-grown one-stop center for Intellectual Property related solutions with deep experience in a wide range of IP issues, including trademarks, trade dress, copyright, patents, designs, plant varieties / biodiversity, geographical indications, domain name, advertising (including comparative advertising), intermediary liability, data protection / privacy and misappropriation of trade secrets / confidential information.

We are known for our expertise in creating and developing IP advisory strategy to successfully create IP business environment for our clients. By drawing on the firm's experience across practice areas, we are able to provide holistic advice to our clients, tailored to the industries and regulatory environments within which they operate.

Solutions

# Our Design Practice

Designs are the application of ideas in a unique vessel that not only adds value to the product but also to the consumers lives. We help clients in protecting and securing their interests in the designs and to ensure the best possible services to the clients we have developed a customized system having records of all the granted designs of our clients and all the pending design applications in India. This customized system not only helps the firm in maintaining and safekeeping the designs of the clients but is also a game changing technology in the field of IP.
