About Us

KAnalysis is a dynamic IP law firm that was established in 2007 as an IP research firm. Over the years of growth and expansion, we presently are a full service IP law firm.

Now, we are full-grown one-stop center for Intellectual Property related solutions with deep experience in a wide range of IP issues, including trademarks, trade dress, copyright, patents, designs, plant varieties / biodiversity, geographical indications, domain name, advertising (including comparative advertising), intermediary liability, data protection / privacy and misappropriation of trade secrets / confidential information.

We are known for our expertise in creating and developing IP advisory strategy to successfully create IP business environment for our clients. By drawing on the firm's experience across practice areas, we are able to provide holistic advice to our clients, tailored to the industries and regulatory environments within which they operate.

Our Patent Practice

We believe in providing the highest quality and customized services to the clients including the enforcement and management of the client's patent portfolio in various specialised fields & technical domains. The firm assists clients in developing, protecting, and enforcing their patent-filing rights in India and across the globe. Our registered patent attorneys and agents with their technical expertise ensure that Patents and ideas of our clients are protected wholistically.

We ensure the rights of the inventor are kept at the highest pedestal and that the patents are protected in totality as it would not only ensure security for the patent holder but also enable the patent holder to explore new ideas and opportunities to expand their growth potential with us.
