About Us

KAnalysis is a dynamic IP law firm that was established in 2007 as an IP research firm. Over the years of growth and expansion, we presently are a full service IP law firm.

Now, we are full-grown one-stop center for Intellectual Property related solutions with deep experience in a wide range of IP issues, including trademarks, trade dress, copyright, patents, designs, plant varieties / biodiversity, geographical indications, domain name, advertising (including comparative advertising), intermediary liability, data protection / privacy and misappropriation of trade secrets / confidential information.

We are known for our expertise in creating and developing IP advisory strategy to successfully create IP business environment for our clients. By drawing on the firm's experience across practice areas, we are able to provide holistic advice to our clients, tailored to the industries and regulatory environments within which they operate.

Our Trademark Practice

We understand the value of the trademark of our clients and for its protection, we provide registration services of the trademark along with prosecution services. We have a robust network of attorneys and agents who with their expertise and tailored opinion manage the trademark portfolio of our clients and protect them against any infringement threats and unauthorized use in foreign or domestic markets.

The Firm provides an in-depth analysis on the availability and resistibility of a trademark and provides assistance in every step of the registration process and maintenance of the trademark post registration. Emphasis is laid on responsiveness and quality of the services that are offered by the Firm.
